ARTICLE 3
UNION RIGHTS AND RESPONSIBILITIES

3.1 General Responsibilities. The Union recognizes its responsibilities as the exclusive bargaining agent of the employees, and realizes that in order to provide maximum opportunities for continuing employment, and fair compensation, the Employer must be able to operate efficiently. The Union, therefore, agrees to cooperate in the attainment of these goals and agrees to the following:

- a. That it will cooperate with the Employer and support its efforts to assure a full and fair day's work on the part of its employees;
- b. That it will actively combat absenteeism and any other practice which restricts efficient operations of the employer; and
- c. That it will earnestly strive to improve and strengthen good will between and among the City and its employees, the Union and the public.

3.2 Union Membership. The Employer will not interfere with the right of its employees to become members of the Union. The Union will not interfere with the right of employees to refrain from Union membership. There shall be no discrimination by either party because of membership or non-membership in the Union. The Union agrees that neither it nor any of its officers or agents will engage in any union activity which will interrupt or interfere with the operations of the Employer.

3.3 No Lockout, No Strike. During the term of this agreement, neither the Union nor its agents or any employee, for any reason, will authorize, institute, aid, condone or engage in a slowdown, work stoppage, strike, or any other interference with the work and statutory functions or obligations of the Employer. During the term of this agreement, neither the Employer nor its agents, for any reason, shall authorize, institute, aid or promote any lockout of employee covered by this agreement.

3.4 Bulletin Board. Bulletin board space shall be provided which may be used by the Union or employees for posting of Union notices relating to Union meetings or other bona fide Union business.

3.5 Dues Deduction. The Utility agrees to make deductions for monthly Union dues upon proper written authorization by the Employee, and to forward the amount so deducted to the Financial Secretary of the Local Union in accordance with a procedure approved by the Utility and the Union. It is understood that any authorization for such payroll deduction shall be subject to cancellation at any time upon thirty (30) days written notice by the employee to the Utility. Should the Utility be held liable for any observance or compliance with any Union dues authorization, the Union will indemnify, defend, and hold the Utility harmless from any liability and any cost, expense and/or attorney fee incurred thereby.

ARTICLE 4 GRIEVANCE PROCEDURE

4.1 A grievance shall mean that there has been an alleged violation or application of the expressed provisions of this agreement. A grievance shall contain a statement of the grievance indicating the issue involved, the relief sought, the date the incident or violation took place, if known, and the specific section or sections of the agreement involved. This does not prevent the Union from amending the contract citations at a later date. The grievance shall be presented to the designated supervisor (on forms mutually agreed upon and furnished by the Union) and signed and dated by the Union. The grievance form will state the name of the Employee(s) and/or the Union representative authorizing the filing of the grievance.

An aggrieved employee shall have the right to a Union representative appointed by the Union. Grievance steps:

Step 1. An employee and/or Union steward shall present the grievance in writing to the Utility superintendent or his/her designated representative within seven (7) calendar days following its occurrence or within seven (7) days of when the employee knew or should have known of its occurrence. Upon request of the Union, the parties will meet at an agreed upon time and date with the employee, union representative, employer representative and Utility Superintendent in an attempt to resolve the grievance. Within fourteen (14) calendar days, the Employer or his/her designated representative will answer the grievance in writing or will answer within 14 calendar days of a meeting.

Step 2. If the grievance is not settled in Step 1, the aggrieved employee and/or Union representative shall present the grievance in writing to the Chair of the Utility board or his/her representative within seven (7) calendar days following the Utility superintendent's written answer. Upon request of the Union, parties will meet at an agreed upon time and date with the employee, Union representative, Employer representative, Chair of the Utility Board, and Utility superintendent in an attempt to resolve the grievance. Within fourteen (14) calendar days, the Employer or his/her designated representative will answer the grievance in writing or will answer within fourteen (14) calendar days of a meeting.

Step 3. Any grievance not settled in Step 2 of the grievance procedure may be referred to arbitration, providing the referral to arbitration is in writing to the other party and is made within twenty (20) calendar days after the employee's receipt of the Employer's answer given in Step 2. It is expressly agreed and understood that no employee shall have the right to compel the arbitration of a grievance without the consent of the Union.

For the purposes of selecting an impartial arbitrator, if the parties are unable to agree on an impartial arbitrator, the parties or party, acting jointly or separately shall request the Federal Mediation and Conciliation Service (FMCS) to submit a seven (7) member panel of arbitrators. By mutual agreement, the parties may request a second list of arbitrators if the first list is unacceptable. The parties beginning with the one who requested

arbitration, will ultimately strike one name from the list. After each party has eliminated the names of three (3) arbitrators, the individual whose name remains on the list shall be accepted by both parties as the arbitrator to hear and decide the pending case.

The fees and expenses of the arbitrator will be paid equally by the parties. Each party shall pay its own costs of preparation and presentation for arbitration. The cost of the arbitration panel shall be equally split by the parties. No stenographic transcript of the arbitration hearing shall be made unless requested by a party. The cost of stenographic reporting of the hearing shall be borne by the party requesting the same, except that the other party may request a copy of such transcript, in which case the parties shall equally divide the cost of stenographic reporting and of the transcripts. Any other expenses incurred shall be paid by the party incurring same.

The arbitrator shall confer with the representatives of Utility and Union, and hold hearing promptly and shall issue his/her binding decision not later than ninety (90) calendar days from the date of the close of the hearings or submission of briefs. The arbitrator's decision shall be in writing and shall set forth his/her findings of facts, reasoning, and conclusions on the issues submitted. The arbitrator shall have no power to change, ignore, nullify, alter, detract from or add to the provisions of this agreement. The arbitrator shall only consider and make a decision with respect to the specific issues submitted, and shall have no authority to make a decision on any other issue not so submitted to him/her. The decision of the arbitrator shall be binding on both parties.

4.2 All joint Employer and Union grievance or negotiation meetings will be held at times and places mutually agreeable to the parties. All grievance investigations are to be done during employees' non-working time, unless otherwise approved by the superintendent.

4.3 If the grievance is not presented within the time limits specified within this article, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limits, it shall be considered dropped. If a grievance is not timely answered by the Employer, it may automatically be referred to the next step.

4.4 The time limits as set out in this article may be extended or modified by mutual agreement of the parties. Any extensions or modifications of the time limits must be in writing.

4.5 All grievance meetings under this article are to be held in private and are not open to the public.
